NGUYEN THE THIEN PHUC

SOFTWARE DEVELOPER | WEB APPLICATIONS

Ho Chi Minh City, Vietnam | +84 797 958 242 | jake.nguyentt@gmail.com

PROFESSIONAL SUMMARY

Software Developer with nearly three years of experience in C# and web development, along with three years in IT support. Experienced in building applications, developing websites, and solving technical problems. A fast learner who can work independently and adapt to new technologies.

TECHNICAL SKILLS

Programming: C#, JavaScript; object-oriented development with C#

Web development: Astro, Javascript, Tailwind CSS; full-stack website development

Tools and practices: Git, GitHub, debugging, technical troubleshooting; Claude and Codex for AI-assisted coding

PROFESSIONAL EXPERIENCE

IT SUPPORT | MP Logistics

April 2026 – Present

- Provide IT support for approximately 100 users, handling around 30 support tickets per day.
- Diagnose and resolve Windows, Microsoft Office, printer, hardware and basic networking issues.
- Investigate user-reported problems and communicate practical solutions to keep day-to-day operations running.

Web Developer (Freelance)

Aug 2025 – March 2026

- Develop full-stack websites with Astro, Javascript and TypeScript, including responsive interfaces and functionality.
- Use Git/GitHub and AI-assisted tools such as Claude and Codex to support implementation and iterative development.
- Work independently across development tasks, applying a structured, problem-solving approach to website functionality.

Unity Developer | Onetech Asia Company

May 2022 – Apr 2025

- Developed interactive VR applications and games using Unity and C#.
- Implemented 3D environments and interactive features.

IT SAP Support | Khai Anh JSC

Jan 2019 – May 2021

- Provided first-level SAP and business application support for approximately 50 users.
- Helped reduce support ticket volume by 50% within six months.
- Diagnose and resolve Windows, Microsoft Office, printer, hardware and basic networking issues.

EDUCATION & CERTIFICATION

Advanced Diploma in Software Engineering (ADSE) | FPT Aptech | 2023

Bachelor of Accounting | University of Economics Ho Chi Minh City | 2020

TOEIC English Certificate | 820/990
